

INSTRUCTIONS for preparing Poster presentation

Poster dimension

- Poster maximum size:
Height: 1.60 m
Width: 0.90 m

Please, note that the format of your poster is **Portrait format**

- Please, note that the poster board where you will set up your poster is slightly bigger in order to fit your poster.
- Each poster board is numbered corresponding with the reference number you have been given (e.g.: P001). A sign will be hanged with the reference number, the title of your poster, the list of authors and other useful information if necessary.
- Fixation:
Double-sided tape will be provided on site at the Poster welcome desk.
- Set-up and dismantle:
Authors are fully responsible to set up and dismantle their poster according to the schedule given in the correspondence or online.

Guidelines

- Posters should display at the top: the title, authors and institutions of origin in large letters. The background, hypothesis, aims, material and methods, results and conclusions should follow, and should be designed so that the poster can easily be read at a maximum distance of 2 metres.
- Authors have to bring their posters already printed. There are no printing services available on site.
- The organizers are not responsible for loss or damage to those posters which are not removed by authors within the times of dismantling. Posters not removed by their authors at the stated time, will be automatically destroyed.
