Invitation:

On behalf of the organizing committee of the Kyoto International Symposium on Neo Fiber Technology 2014, **KISNFT2014** (Post Symposium on ISF2014) and the members of the Center for Fiber and Textile Science, Kyoto Institute of Technology, it is my great pleasure to extend a warm welcome to you to participate in **KISNFT2014** held at Oct 2-3, 2014 in Kyoto, Japan. **KISNFT2014** will provide the good opportunity for participants to learn the most recent advancement of the fiber science and technology, as well as the occasion to bring together the participants from across region and around the world for discussion, collaboration, and networking.

Kyoto is a city located in the central part of Japan and was formerly the imperial capital of Japan for more than one thousand years. Our participants will have a chance to enjoy our beauty of Kyoto culture, enjoy shopping and experience Japanese food.

We are looking forward to giving a hearty welcome to you and your colleagues at **KISNFT2014** in Kyoto. We hope that you will find this symposium both enjoyable and valuable. We thank you in advance for participating and contributing to the success of this event.

With best wishes

Hideki YAMANE
