

Design Manufacturing Center, Keio University Visit

Time and Date

Wednesday afternoon, July 9

Exact time and meeting location will be announced on the web later.

Faculty of Science and Technology, Keio University very recently set up Design Manufacturing Center to commemorate their 75th anniversary this year in 2014.

It is located on Yagami campus, next to Hiyoshi campus where SDM is located and where Doctoral Workshop will be held. Yagami campus can be reached by Minato-Mirai Line in less than 30 minutes. Get off at Hiyoshi station and walk about 5 minutes.

Prof. Hideki Aoyama, Faculty of Science and Technology and Prof. Masaru Nakano, Graduate School of System Design and Management will give a talk after center visit.
