Conference of the **WG5.1** "Global Product development for the whole lifecycle"
(www.ifip-wg51.org)

Since 2003, the **IFIP WG5.1 PLM International Conference (PLM IC)** brings together researchers, developers, and users of Product Lifecycle Management (PLM), an ICT and integrated business approach to the collaborative creation, management and dissemination of engineering data throughout the extended enterprises that create, manufacture and operate engineered products and systems.

The conference aims at involving all stakeholders of the wide concept of PLM, hoping to shape the future of this new field and advance the science and practice of enterprise development. PLM IC is the official conference of the WG5.1 as well as the International Journal of **Product Lifecycle Management (IJPLM)**, (www.inderscience.com/ijplm).

Beyond the scientific presentations, the conference dedicates :

- *A full day for industry panels and presentations* (last year 13 presentations were given by EDF, Dassault Aviation, Areva, Tata Technologies, Airbus, PSA, Rolls Royce, Jaquar Land Rover, VINCI, PROSTEP, Dassault Systems, Audros Technology, IMPARARIA, PCO, etc)
- *IFIP Awards for the «Best Paper» and the «Best PhD study»*
- *Several local industrial site visits*
- *Panels on economic visions*
- *Special Sessions on current socio-economical subjects*
- *Keynote Speakers*
- *1 PhD workshop*
- *Special issues in Scientific Journals*
