

	EDUCATIONAL SESSIONS - MAKUHARI MESSE, CHIBA			SCIENTIFIC MEETING - PACIFICO YOKOHAMA											
	MONDAY - 8.V	TUESDAY - 9.V	WEDNESDAY - 10.V		THURSDAY - 11.V		FRIDAY - 12.V		SATURDAY - 13.V						
Time	Educational - Chiba	Educational - Chiba	Educational - Chiba	Pacifico Annex Lobby	Hall 2	Hall 1	Hall 2	Hall 1	Hall 2	Hall 1	Hall 2				
8:00 - 09:00	Welcome & Introduction					Welcome & Introduction		Morning Seminar Hitachi		Clinics / Head and Neck, GU	Physics / Acceptance, Commissioning and QA				
9:00 - 10:00	Rationale for Particles	Pediatrics	Radiation Shielding			Symposium "Ion Therapy in 21th Century. Accuracy and Efficacy"		Keynote (Clinics)				Coffee Break - Exhibition - Hall C	Clinics / Clinical Trials	Coffee Break - Exhibition - Hall C	Keynote (Biology)
	Physics of Particle Beams	Base of Skull	Accelerators			Keynote (Physics)		Physics / Motion Management		Exhibition - Hall C	Panel Discussion "Particle Therapy for Lung Cancer"	Exhibition - Hall C	Closing & PTCOG 57	FACILITY TOUR 2 KCC - (13:00) First buses depart Pacifico including lunch boxes, (14:45) Arrive at KCC, (15:00-16:30) KCC Site Visit, (16:30) Leave KCC, (17:30) Arrive at Pacifico, the venue.	
	Radiobiology: Basis and Models	CNS	Workflow Efficiency			Luncheon Seminar Toshiba		Luncheon Seminar Varian		Luncheon Seminar Sumitomo	Luncheon Seminar IBA	General Assembly			
	Coffee Break	Coffee Break	Coffee Break			Biology / Biomakers and Models		Physics / Nozzle Design, Beam Delivery and Dosimetry		Physics / Dose Calculation and Optimization	Clinics / Pediatric and Sarcoma	Physics / Image Guidance and Adaptive Therapy	Clinics / GI and Breast		
	Technical Aspects of Beam Delivery	GI	Facility Selection			Registration for Scientific Sessions (15:00-19:00) At the lobby of Annex of Pacifico		Steering Committee		GALA DINNER - Yokohama Museum of Art.		Poster Sessions			
	Clinical Aspects of Beam Delivery	Head and Neck	Facility Startup					(18:00) Depart Pacifico by bus, (18:15) Arrive at the Museum, (18:30-19:00) Viewing the Exhibits, (19:00-21:00) Gala Dinner, (21:00) Depart the Museum, (21:10) Arrive at Intercontinental---Sakuragicho St. --- Yokohama ST.		SOCIAL EVENTS by Industrial companies					
	Treatment Planning	Chest (Lung + Lymphoma)	Future Outlook												
12:00 - 13:00	Lunch	Selection Criteria for Particles	Closing												
13:00 - 14:00		Scanning Beams (Clinical Physics)	Transfer: Chiba to Pacifico Yokohama & Intercontinental Hotel. Lunchboxes provided												
14:00 - 15:00	Instrumentation	GU - Prostate													
	Clinical Implementation of Image-Guided Carbon Therapy	Breast	Transfer: Pacifico to Sakuragicho & Yokohama Stations												
15:00 - 16:00	Coffee Break	Re-Irradiation													
	Uncertainties	Coffee Break													
16:00 - 17:00	Commissioning + QA	Clinical Experience with Ions	Time to Check-in Hotels												
	Patient Alignment	Ophtalmic													
17:00 - 18:00															
18:00 - 19:00	FACILITY TOUR 1 to NIRS & Reception at NIRS (17:30) Depart Makuhari Messe by bus (17:50) Arrive at NIRS (17:50) Site Visit (18:30) Reception (19:30) Depart NIRS by bus (20:45) Arrive at "Kaihin Makuhari" Station														
19:00 - 20:00															
20:00 - Onwards					WELCOME RECEPTION (19:30-21:00) At "Ball Room" of Yokohama Grand Intercontinental
